What we're up to:

- **Summer Registration is now OPEN!!** We are so excited for summer classes, they are a great opportunity to progress and try new thing. [Click HERE](#) to view the summer schedule!
- We will be taking a few minutes during classes these next two weeks to measure everyone for costumes for the May Recital. Please make sure your child is in class, and if they have to miss please bring them to get sized another time during the assigned week for your location. (see dates to the left)
- **Waiting Room Etiquette:** As a reminder, the waiting room is a part of the studio and therefore needs to represent the studio culture we try to exemplify. If you are waiting please feel free to utilize the fun toys etc we have for other siblings, but please pick up after yourselves when you are done. Please make sure your comments and discussions are uplifting and follow our studio culture of always being inclusive and building people up. We want everyone who walks through the door to feel the joy the studio brings.
