January 2021

Happy New Year! The new year is always so refreshing and exciting. During our monthly staff meeting last night we talked a lot about how we can encourage dancers to finish the year strong in working together and using the community we have, to build each others strengths. We can't wait to keep working on and setting new goals!

- As a reminder: Cedar Hills classes will begin as usual this week, but **Saratoga Springs classes will be delayed starting until NEXT week** when we can move everyone over to our new building at 1950 N Hillcrest Rd.
- Preschool Open House! Please join us for our preschool Grand Opening/Open house this Saturday Jan 9th from 10am-2pm at the Hillcrest Rd. Saratoga Springs location. Preschool classes for this semester begin January 19th!
- Spring Schedule: Please check the important dates on the left to note closures and recitals etc. We DO hold classes still on Presidents Day and also MLK Day. Please also note our End of the Year Recital for all Rec Classes (except Tumbling) will be a little earlier this year on May 7th-8th- more details to come, but this way you can add it to your calendar.
- Please remind dancers to bring a mask and a water bottle to class each week. If they forget a water they can purchase on for \$1 at the desk and we can add it to your account.
- We will continue to offer zoom options for those who are quarantined, or not feeling well to be able to join from home. As a reminder you can sign up for these also also view the schedule, newsletters, and lots more on the "portal" tab on the main website.
