ANNOUNCEMENT:

Registration for our new Academic and Movement Preschool Learning in Motion fall 2021 season opens February 1st!

This is a highly academic preschool with weekly movement classes of dance, tumbling, and karate all included!

www.LearningInMotionPreK.com

***located in our new Saratoga Springs building**

Note from Miss Hillary:

It has been so fun seeing all of our dancers make goals the last month and show support to each other in class and out. We have a lot of new faces right now as well and want to extend a warm welcome to everyone!

- The week before **Valentines day** (Feb 8th-12th) dancers are welcome to dress in valentines colors for class!
- Dance wear orders are open on your person account if you need to order any leos, tights, warm ups, shoes etc! They will be open until Feb 5th and then closed until next season.
- As a reminder: Classes will still be held on President's Day.
- Please remind dancers to **bring a mask and a water bottle** to class each week. If they forget a water they can purchase one for \$1 at the desk and we can add it to your account.
- We will continue to offer **zoom** options for those who are quarantined, or not feeling well to be able to join from home. If you miss a class and need to do a **make up class**, please remember to also schedule it online instead of dropping in so we can keep tabs on numbers. *Please only sign up for zooms if needed due to illness or quarantine.
- Zooms and make up classes can be schedule, and you can also view the schedule, newsletters, info kit with all policies and lots more on the "portal" tab on the main website.
www.theultimatedanceexperience.com/portal
- **Recital Fees Due:** Recital Fees of \$25 per family (For all Recreational classes except for Tumbling) will be added to February tuition and auto-pay.
