SPRING 2022

NUDE LEOTARDS

**Mandatory*

It is necessary that you purchase a nude leotard to wear under your costumes for competitions. There are usually no private changing rooms, only shared rooms so being able to have a leo underneath can make all the difference! You will need one that has CLEAR straps! Older dancer take note of which leos are lined or not, or purchase a nude bra instead.

MAKE UP

Required make up for girls

All girls are required to wear this same matching make up. We recommend the Senegence brand for eye shadow, eye liner, and lip stick/gloss because it stays! However, it is not required as long as you find an exact color match in another brand that will work as well. Silver shimmer eye shadow, black eye liner and in corners shading, blush, and bright red lipstick. Fake Eye lashes required for ages 9+, mascara only is ok for those younger 8 and younger.

SHOES

All regular teams need half sole turning shoes in tan.
Hip Hop Crews need solid black tennis shoes.
